E-Journal Hosting Service for existing and new e-journals

The screenshot shows the 'Publishing' module of the avdigital.de website. At the top, there are three navigation tabs: 'FINDING LITERATURE', 'PUBLISHING' (which is active), and 'NETWORKING'. Below the navigation is a breadcrumb trail: 'avidigital.de / Publishing'. On the left side, there is a vertical menu with three items: 'COMPARE: OPEN ACCESS', 'SEARCH IN COMPARE', and 'E-JOURNAL HOSTING'. The main content area is titled 'Publishing on avdigital.de' and includes a welcome message: 'Welcome to avdigital.de's publication service! The Publishing module provides open access publication services for scholars, institutions, and publishers in the field of Comparative Literature.' Below this, there are two featured services: 'CompaRe' and 'E-Journal-Hosting'. Each service has a circular icon, a title, a descriptive paragraph, and a 'See more ...' button with a right-pointing arrow.

Visibility of the Invisible: The Idea, Theory, and Ontology of Trace (NeMLA 2020)

Submitted by: Redaktion avldigital.de

This panel invites proposals to examine the notion, theory, idea, and ontology of the trace and the ways in which it can be deployed in literature, image studies, art, film, and other media and disciplines. From its rudimentary manifestations as smoke and fire and footprint, to theological significations of the image of Jesus on the Shroud of Turin, the trace, as a visible marker of an absent presence, generates a compelling milieu to meditate on the proliferation of meaning in text and...

Make your institution's work open access

The screenshot shows the 'avldigital.de' website interface. At the top, there are three navigation tabs: 'FINDING LITERATURE', 'PUBLISHING', and 'NETWORKING'. Below the navigation is a breadcrumb trail: 'avldigital.de / Publishing / Search in CompaRe'. The main content area is divided into two columns. The left column is titled 'Narrow Search' and shows search filters. Under 'Search narrowed by', there is a filter for 'Stanford Literary Lab' with a close button. Below this, there is a 'Remove all filters' link. Under 'Contributor', there is a list of authors with their respective counts: '+ Stanford Literary Lab (17)', '+ Moretti, Franco (11)', '+ Heuser, Ryan (6)', '+ Algee-Hewitt, Mark (3)', '+ Allison, Sarah (3)', '+ Gemma, Marissa (2)', '+ Finn, Ed (1)', and '+ Impett, Leonardo (1)'. The right column shows search results. It starts with a search bar containing 'Start search' and a 'Search' button. Below the search bar, it says 'Displaying results 1 to 5 of 17.' and a dropdown menu set to 'Relevance'. There are pagination links: '1 2 3 4 NEXT >'. The first result is titled 'Bankspeak: the language of World Bank Reports, 1946–2012'. The author is 'Moretti, Franco; Pestre, Dominique' and it was published on '01.05.2015'. Below the title are three buttons: 'Bibliographic information', 'Summary', and 'Access'. The second result is titled 'On paragraphs. Scale, themes, and narrative form'. The author is 'Algee-Hewitt, Mark; Heuser, Ryan; Moretti, Franco' and it was published on '01.10.2015'. Below the title are four buttons: 'Bibliographic information', 'Summary', 'Access', and 'Description'.
